

Welcome

to Tamworth Tiny Weddings.

Where your love story is celebrated simply with intention.

If an elopement with a maximum of 10 people invited or no guests at all feels more aligned with you than a big wedding, you are in the right place.

Alana and Rebekah are here to help you prepare for your big day, so you feel confident during the planning and on the day when you promise your love to each other.

With 3 main package options and a list of trusted local suppliers you will have the freedom to customise your tiny wedding with us.
